Circus Arts Competition Winners

Last Wednesday, 1/2G attended Circus Arts and they had a great time enjoying two hours of fun filled activities. The class won the centre's art competition and this was their prize. The students had lots of fun on the balance beam, trampoline, tumble track, static trapeze and silks. The highlight of the day was the flying trapeze. Students were both nervous and excited as they climbed the ladder to the top and cheered each other on as they took their turn. The instructors applauded 1/2G's excellent behaviour and good manners. It was an exhilarating experience for all. Congratulations 1/2G.

New Building

The excitement is mounting, in just over a week the new building will be handed over to the school. The new furniture has arrived and the rooms look amazing. All of our planning and hard work has been worth it. The playground component will not be ready to play on till the beginning of term one 2020, as this aspect was not included in the original scope of works. They are busy resurfacing the area, laying drainage and irrigation, then finally turf. The back playground will be handed over in two stages, with the area occupied by the demountables being handed over last of all. We are looking forward to the boys and girls being able to run around and play in our beautifully turfed playground.

Moving Day - Monday 2 December – Minimal Supervision Available

Monday 2 December is our proposed moving day which will involve relocating 24 classrooms, furniture and storerooms full of teaching resources. On this day, students will not have access to teaching and learning as usual, supervision will be available on the day but it will be minimal. If you can, I encourage you to please keep students home on this day. If you need to send them to school, please note that only minimal supervision will be available. We apologise for any inconvenience this may cause.

Moving Organisation

The following classes will be moving into the new building as of Monday 2 December and will stay there till the end of the year - 6H, 6W, 6C, 3/4S, 2T, 1S and 1C. Students in these classes will assemble in our main COLA area on Tuesday morning and be taken to the new building by their teacher. Year 6 will be on a Transition Day at the high school, so their first day in the new building will be Wednesday. Unless otherwise instructed, students whose class is moving to another room, will meet in the main COLA area when the bell goes at 9.20am on Tuesday 3 December. KP, KD, KS, 3M & 3W are not changing rooms. These teachers will be assisting other teachers with their move on Monday 2 December. The remaining 21 classes, along with the music room, computer lab and band room are all being relocated. This has required a massive level of organisation at a time when staff are busy writing student reports. A BIG thank you to our amazing staff who have put a lot of time and effort into preparing for this move, much of which has been done out of hours in their own time. We are fortunate to have such caring, dedicated, hard working staff who are proud of the way they set up their teaching and learning environments. They definitely have the best interests of the students in mind.

Member of the Lighthouse Valley of Schools

Respectful - Responsible - Fair

Byron Bay Public School acknowledges and pays respect to the Arakwal people of the Bunjalung Nation, the traditional custodians of the land upon which the school proudly stands.

SRC Fundraiser!

Our Student Representative Council is running a fundraiser in conjunction with Ally from 'The Bay Sitters' and 'Brighter Futures', in Ballina. Our aim is to donate 30 Hampers to families in our community who could really do with some extra love this Christmas! We are asking the families of Byron Bay Public School to get involved! Last Friday notes went home outlining our SRC Fundraiser, thank you to those families who have already brought in a donation. Please see the table below if you are unsure of what we are collecting for your child/ren's class. We are hoping that each child will donate one item from their class category. Please drop items off to your child/ren's classroom. We would appreciate it if all donations could be at school by Wednesday 27 November.

Thank you for your support.

CLASS	ITEM
KC	Tea
KD	Christmas Plates/Christmas Serviettes
KM	Non perishable foods
KP	Non perishable foods

Sign up at www.flexischools.com.au - our preferred way to order your lunch!

If you are able to assist or can't make it in, please contact Mandy in the canteen or email bbpscanteen@gmail.com.

Take 3 for the Sea

Last Tuesday, Arlian E, Milo DJ and Mr Cranmer represented our school at the 'Take 3 for the Sea' campaign at the Byron Bay Surf Club. The organisation aims to reduce plastic pollution with the simple message of getting people to take three pieces of rubbish when they leave the beach or any other environment.

**Information Session for Parents and Providers
 NDIS and its Interface with Education**

The Department of Education together with the National Disability Insurance Agency (NDIA), would like to invite you to attend an Information Session for parents about the NDIS and the range of supports available including supports which assist young people to transition to post school life and employment.
